1. Introduction

This Privacy Policy explains how we collect, use, and protect your information when you use HotSpot, a map-based event creation and management app.

2. Information We Collect

We may collect the following types of information:

- **Personal Information**: Such as name, email, or profile photo (if account creation is required).
- **Location Data**: With your permission, we use your device's location to show relevant events and improve the app experience.
- **Event Data**: Information you provide when creating or managing events (e.g., event title, time, location).
- **Usage Data**: Analytics to help us improve the app (e.g., feature usage, crash reports).

3. How We Use Your Information

We use your data to:

- Provide and improve the app experience.
- Display events near your location.
- Communicate updates, if you've opted in.
- Ensure safety and prevent abuse or fraud.

4. Sharing of Information

We **do not sell** your personal information. We may share limited data with trusted third-party services (e.g., analytics, cloud storage), only to support app functionality and compliance.

5. Your Rights

You can:

- Update or delete your profile or events.
- Request the deletion of your account and data.
- Revoke location access at any time in your device settings.

6. Data Security

We implement reasonable safeguards to protect your information from unauthorized access, misuse, or disclosure.

7. Children's Privacy

Our app is not intended for users under the age of 13. We do not knowingly collect data from children.

8. Changes to This Policy

We may update this policy. If we do, we'll notify you through the app or via email (if applicable).
